

## SUNNYSIDE CSA Terms 2018

*Please keep a copy for your records.*

As a CSA member, I understand I am signing up to take part in the ebbs and flows and seasonality of the farm year (including crop loss or poor harvests due to bad weather, pests or disease or an overly abundant crop for several weeks in the share.)

I understand that my CSA payment is non-refundable and secures my place in The Farm at Sunnyside CSA for the 2018 season. I understand I am liable for the entire amount whether I pay in full or in installments. If I am unable to pay, I am no longer eligible for a share.

I understand that the farm will use email to communicate any necessary information to members (like a change in pick-up time due to bad weather or special offers) and that I may miss important information if I do not read email messages from the farm.

I understand that the pick-ups are each week from late May until mid - November. If I cannot make it to pick-up on time, I understand that I may not receive my share for the week. (*Tuesday on-farm shareholders can request a packed bag which we will hold until Thursday. Wednesday Marshall shareholders have until 6 pm on Thursday to pick up shares at The Whole Ox.*)

If I am going to miss multiple shares, I will arrange for a friend to pick up my share or I will notify the farm to not pack my share. The farm reserves the right to stop packing shares if I miss 3 weeks without notification. I understand shares will resume once I communicate with the farm that I am able to pick them up.

I agree to the terms above.
